Hello Tobey,

AltaSea would like to also include Karl Muller (cc'd on this email) on the call tomorrow. It seems a conference call line might be best after all.

Urban Design Center has the following conference call number that we can use:

Conference Dial-in Number: (605) 475-4000 Participant Access Code: (b) (6)

Or if you have a number you would prefer to use please let me know.

Thank you,
Griffin
