

CENTER FOR ENTREPRENEURSHIP AND INNOVATION

CSU BAKERSFIELD™

Mission

To promote an entrepreneurial and innovative mindset across the CSUB community and to provide a structured and integrated entrepreneurship education platform to the region

Key Programs

- *New Venture Accelerator*
- Entrepreneurship Passport
- Speaker Series
- Internship Programs
- Bakersfield Founders Club
- Innovation Expo

New Venture Accelerator

What is the new Venture Accelerator program?

- 10-week entrepreneurship boot camp program
- Open to the CSUB community (students, faculty, & staff) as well as the Kern County community at large
- Work with CSUB faculty and industry experts on key new venture creation topics such as value proposition, minimum viable product, customer validation, differentiation, marketing, financials, and legal essentials
- Leverage emerging technology from key STEM faculty and professionals
- Participation Cost: **FREE**

The first cohort is planned to be launched in **September 2022**. If you are interested, please fill out this **intake questionnaire**: bit.ly/CEI-Intake
