WANT TO GROW?

WE CAN HELP YOU!

THE LEED CENTER CREATES AND CULTIVATES AN INCLUSIVE ENTRENEURSHIP ECOSYSTEM ACROSS THE UNIVERSITY AND THROUGHOUT THE ACADIANA REGION. OUR RELATIONSHIP-BASED PROGRAMS, TRAININGS, AND CONSULTATIONS COMPLEMENT OTHER ECONOMIC DEVELOPMENT AGENCIES TO FOSTER AND SUPPORT ENTREPRENEURS AND THEIR IDEAS.

We **consult** decision makers and entrepreneurs and engage with agencies and entrepreneurs in rural communities across Acadiana. We offer strategic planning, workforce development, new product development, supply chain innovations, and marketing plans.

Our Accelerate **start-up and small business programs** focuses on people. their dreams, ideas, and business interests. These focus on individuals from underserved and rural communities.

We want to strengthen and diversify the economy through **inclusive relationship-based entrepreneurship** and economic development programming to build a better Lafayette, a thriving Acadiana, and a **stronger Louisiana**.
