$500 million for the Good Jobs Challenge

**Program Goal:** Get Americans back to work by establishing or strengthening regional systems to train workers with in-demand skills through sectoral partnerships

**Awards:** Between 25 and 50 awards at ~$5-25 million each

**Grant Rate:** Projects will be funded at a 100% grant rate; projects that leverage other funds will be more competitive.

**Programmatic focus:**
- Job placement is key! Industry partners and employers play a critical role
- Unemployed or underemployed workers from underserved communities
- Incumbent workers from underserved communities with opportunity for increased wages with targeted upskilling

Full applications due January 26, 2022 by 11:59pm Eastern Time

NOFO Section C.1
Program Intent

**Regional Workforce Training System**
Establish or strengthen regional workforce training systems of key stakeholders to develop employer-driven training models

**Sectoral Partnerships**
Ensure processes exist to translate employers’ skills needs into training models
Develop and deliver quality skills training

**Outcomes**
Provide concrete, measurable impact (job placements, wage gain)
Secure employer commitments to hire and place workers into quality jobs
Leverage federal and non-federal funds to expand reach
Regional Workforce Systems

Applicants may propose developing or strengthening a regional workforce system made up of several sectors/industries, or they may submit projects for a single sectoral partnership (one sector/industry).

**System Lead Entity**
Lead entity of a regional workforce training system. Must be an EDA-eligible applicant.

- **Sectoral Partnership**
  - **Ex: Technology sector**, with Community-based organization as backbone org of the sectoral partnership
  - **Ex: Agriculture sector**, with Organized Labor as backbone org of the sectoral partnership
  - **Ex: Healthcare sector**, with Community College as backbone org of the sectoral partnership

**Regional Workforce System**
A system that fosters and supports sectoral partnerships

**System Lead Entity**
Leads and convenes a multi-sector regional workforce system
Sectoral Partnerships

A sectoral partnership is a partnership of employers from the same industry who join with strategic partners from government, education, training, economic development, labor, and/or community organizations to develop workforce solutions that meet the needs of that industry within a regional labor market.

**Strategic Partners:**
- Generally, should be EDA-eligible organizations involved in workforce development

- Business alliances / chambers
- Other training orgs (e.g., Universities, Community College)

**Industry Partners:**
- Partnership of employers from the same industry

**Backbone Organization:**
- Lead entity of sectoral partnership, usually one of the strategic partners.
- Applications must identify a backbone organization for each sectoral partnership

**Other training orgs**
- Adult basic education
- Organized Labor
- Workforce boards
- Human services organizations
- Community-based organizations

**Backbone Organizations:**
- Serve as the intermediary between all stakeholders and works to ensure programs get implemented and regional milestones are met.
- Must be named as part of the EDA application
- May make subawards to other partners
- Should be an eligible entity under this NOFO
Key Workforce System Terms

**Quality Job (or “good-paying job”):** A job that exceeds the local prevailing wage for an industry in the region, includes basic benefits (e.g., paid leave, health insurance, retirement/savings plan) and/or is unionized, and helps the employee develop the skills and experiences necessary to advance along a career path.

**Wraparound services:** Any service to support and remove barriers to training and employment for a trainee in order to complete their workforce training activities. Examples include transportation, language support, financial coaching, childcare, career navigation and coaching, and access to technology.
Key Workforce System Terms

**Work-and-Learn/Registered Apprenticeship:** These programs combine paid on-the-job training under the direction of a mentor with classroom instruction and result in an industry-recognized credential certifying occupational proficiency. Other work-and-learn models are also encouraged.

**Conditional Hire:** Employer hires worker on condition of successful completion of the training program and demonstration of skill acquisition.

**Employer Commitments:** Employers commit to hiring a specific number of workers who successfully complete the training program provided through the regional workforce training partnership.

Frequently Asked Questions

eda.gov/arpa/good-jobs-challenge/faq
Can program funds be used for trainees' wages and/or stipends?

No, grant funds cannot be used to provide wages or stipends to participants of the program. Applicants are encouraged to utilize other funding sources should they choose to include participant wages as a component of their program.

What about tuition costs or wraparound services?

In general, yes! See the Good Jobs Challenge FAQs for additional details.

EDA is not authorized to provide grants directly to individuals under this program. Please note, funding for these types of activities should be facilitated through a competitively contracted service provider (intermediary).
Can I include construction costs in my project proposal?

Construction activities are not allowable. Applicants with a workforce project that requires construction to be successful can and should apply under the EAA NOFO. See [www.eda.gov/arpa](http://www.eda.gov/arpa) for program overview.

Certain capital expenses, such as equipment purchase and training facility leases, may be allowable.
What are employer commitments?

EDA is seeking applications that have firm employer commitments to hire. Examples include:

• **Work-and-Learn**, including Registered Apprenticeships: See descriptions in the NOFO.

• **Conditional Hire**: Employer hires worker on the condition of successful completion of the training program and demonstration of skill acquisition.

• **Employer Commitments**: Employers commit to hiring a specific number of workers who successfully complete the training program provided through the regional workforce training partnership.

Importantly, please note that employer commitments to hire are NOT required, but will likely help make your application more competitive.
How should I determine the right role for a project partner in my consortia?

*Be sure to know the eligibility status of partners*
Do I have to have more than one sectoral partnership to apply for this grant?

No. Applicants may submit projects for a regional workforce system made up of several sectors / industries, or they may submit projects for a single sectoral partnership (one sector / industry).
